

# Emre MUTLU

---

Ankara

**E-mail:** mutluemre93@gmail.com

**Phone:** +905051160689

**QUALIFICATIONS** I am a front-end-based web application developer.

I am mainly working with the MERN stack.

Here is my skillset:

- React | Redux | NextJS
- NodeJS | ExpressJS | NestJS | Dart
- HTML5 | CSS3 | SCSS | Bootstrap | TailwindCSS | Styled Components | Material-UI
- MySQL | MongoDB | Firebase
- PSD to HTML
- Template Markups

I've used these tools/technologies while working on my projects:

Git, Github, Redux, ESLint, Prettier, Yarn, Npm, and much more

My Github repo is here (You can find project links in every projects' readme.md files)

<https://github.com/emremutlu08?tab=repositories>

**Please visit my project showroom:**
